

March 1, 2008

Dear Golfer:

Here's your chance to make a hole-in-one and **win a new car!**

Reach the decision-makers in commercial design and facilities management by helping to sponsor the 15th Annual IFMA Golf Classic hosted by the Baton Rouge Chapter of the International Facility Management Association. The event will take place on **Wednesday, May 7th, 2008**, at Sherwood Forest Country Club. This fundraiser will include lunch before and a steak dinner immediately following your round of golf. **We are also offering a Hole in One prize of a brand new car.** The proceeds benefit the Chapter Education Fund of our nonprofit association. We will use the income for training, sponsoring speakers, and hosting seminars.

Being a sponsor is a great opportunity for advertising that targets facility managers and design professionals who can purchase and specify your products and services. **Gold sponsors have the opportunity to set up a table on the golf course and promote their business!** Chapter members include state government, university, city-parish, health care and private sector facility managers, architects, engineers, and interior designers.

The Baton Rouge IFMA Golf Classic is the **only** fundraiser of the year for our Chapter. Help support our nonprofit association and send in your sponsorship today! **You may just win a new car!**

Sincerely yours,

William J. (Billy) Wilson
Past-President
