

# THE BENCHMARK

## January Meeting Tuesday, January 16, 2007 Landscape Site Management

### Welcome New Members

- Carroll Blewster with Bradley Blewster Associates
- Warren Kelley - Assoc Vice Chancellor LSU
- Kathy Hoffman - Unit Design

The IFMA-Baton Rouge chapter once again donated generously to the McMains Children's Developmental Center. Our goal was to full-fill their Wish-List, which included a Gait Trainer for larger kids and computer software to assist in-home physical therapy. The price tag for these items totaled \$2,900 - and that is exactly what we raised. \$1,600 came directly from our members with the balance coming from IFMA-BR. Every year we have so many individuals who dig deep into their own pockets and companies who give generously to McMains. Thanks to all those who gave. IFMA-BR should be proud.

Brad Way - Latter & Blum Commercial Realtors  
Commercial Agent & IFMA Fundraiser Chairman
